

Control of Substances Hazardous to Health (COSHH) Training

Aid Training offer a full COSHH course accredited by the Chartered Institute of Environmental Health (CIEH).

This course is designed to introduce delegates who use substances hazardous to health at work to the hazards associated with those substances, the risks and controls available and what to expect from a COSHH assessment. Successful completion will prepare students to look carefully at their own work activities and contribute to the safer use of hazardous substances in co-operation with their managers and supervisors.

The syllabus includes:-

Substances hazardous to health in the workplace

Health effects of hazardous substances and their causes

COSHH assessments and control options

Responsibilities imposed by the Control of Substances Hazardous to Health Regulations 1999

The cost of this course run at your venue for a group of up to 14 is £325 + VAT in addition there is a £12 + VAT certification fee for each student. A comprehensive manual is also included for each student. For a no obligation discussion about your COSHH training requirements and a detailed quote please contact us.
