

Half Day Annual Refresher Course

In line with the revised First Aid Guidance issued on 1st October 2009* we are able to offer a half-day annual refresher course that is suitable for those staff who have completed either the three-day **First Aid at Work** or the one-day **Emergency First Aid at Work** courses. This is an ideal course to help keep your first aiders updated; it also provides an opportunity for them to ask questions to their instructor and peers.

The syllabus includes:

Managing Incidents

Examination of a Casualty

Basic Life Support

Unconsciousness

Control of Bleeding

Treating Shock

Cost

The cost of this course for up to 14 candidates is £325 + VAT. This includes certification and a manual for each student. If two courses are run on the same day the cost for both would be £525 + VAT.

Those who have undertaken their original qualification with us will receive a 10% discount when booking this training.

*Under the current guidelines it is “strongly recommend” that first aid trained staff attend a half-day update every twelve months – before completing full re-qualification training at the three year point.
